

Rooted in Christ

Abide in me, and I in you. As the branch cannot bear fruit by itself, unless it abides in the vine, neither can you, unless you abide in me. I am the vine; you are the branches. Whoever abides in me and I in him, he is that who bears much fruit, for apart from me you can do nothing. John 15:4-5

From the Principal's Desk: Greetings in the name of our Savior!

If you have been on our Facebook page, <https://www.facebook.com/MyTrinityLutheranSchool/>, recently you will see many pictures of our 3rd & 4th graders having fun with community helpers. So far, the class has learned about electricity, farming, and engineering. They have done some really exciting activities such as planting seeds, making lava lamps, and assembling small generators! They are learning about communities in Social Studies and it is a great opportunity to bring in many of the people that keep our communities going!

The Bible says that the idea of community is from the sense of responsibility that we have for one another. We are encouraged, by God, to take care of our sisters and brothers! That connection is important as we focus on building a community filled with love. We do that by sharing God's love with our words and actions. "Showing God's Love" is one of the promises that our preschool teachers have their students make every day. This was also a challenge that I presented to all our students and teachers during chapel a few weeks ago. It is not always easy to do that in our world today, but if we don't start by showing God's love now, then who will?

In His Service,
Mr. DeWitt

TIME

Psalms 24:1 "The earth is the Lord's, and everything in it. The world and all its people belong to him." Everything belongs to God, even His gift of TIME. How good are you at time management? Did you know there are thousands of books on time management sold at Amazon? There are also many tools, strategies, and podcasts about time management. We have all experienced stress and anxiety when we have too many responsibilities, too many things to do, but not enough... TIME. So how should we steward/manage our time?

Saint Paul encourages us in Ephesians chapter five; "15 Look carefully then how you walk, not as unwise but as wise, 16 making the best use of the time, because the days are evil. 17 Therefore do not be foolish, but understand what the will of the Lord is..." In our sinful nature, we want to live a life that is self-governed. We think we oversee our time. And we sinfully tend to live a life that is all about me, instead of myself, God, and neighbor. It is said that the average adult in the United States spends 7 hours on their cell phone. How are you spending your time? Did you know that you can read the entire Bible in 6 months, if you read for 25 minutes a day? Your TIME is all about stewardship of the gift that God gave you. It is all about making time to purposefully Love God and Love neighbor. God is the giver of all good gifts, and the gifts are not only for self – but God has intended many of your gifts to be used for Him and for others. Remember how God used time for our benefit. At just the right time in human history, God sent His Son Jesus to give His life for us. Jesus is God's greatest gift to us.
