

Rooted in Christ

Abide in me, and I in you. As the branch cannot bear fruit by itself, unless it abides in the vine, neither can you, unless you abide in me. I am the vine; you are the branches. Whoever abides in me and I in him, he is that who bears much fruit, for apart from me you can do nothing. John 15:4-5

Greetings in the name of our Lord and Savior!
Reading is fundamental! This is something we all have grown up hearing. It is a skill that we learned, and our children have, or will learn. Whether you are in preschool or 8th grade, good reading skills are important. Preschoolers take great pleasure in listening to books and hearing stories. Older students are doing novel studies and book reviews on their own, and alongside their teachers. Reading is a great skill, and we can ALWAYS learn something new from what we read.

Trinity is starting a school-wide reading challenge. Each teacher has created criteria for their classes to meet. The end goal is to earn free tickets to one of two Kane County Cougars baseball games in May. Please be on the lookout for the note from your child's teacher, either today or tomorrow explaining what their requirements are for earning a ticket. We will also have a bulletin board in the lobby to track all our success as we round the base paths!

Good luck to all our students! Wouldn't it be awesome to have all our families together at a Cougars game in May? See YOU at the ballpark!

In His Service,
Mr. DeWitt
