## Tiger Talk!

Greetings in the name of our Lord and Savior!

It's the end of an era! That's right, the eighth graders had their banquet this week and will be graduating tonight! This is the end of their time with us as students. They are now young men and women, fellow congregation members, and alumni of Trinity!

During their banquet, the eighth graders had very nice words to say to their parents and staff about their time at Trinity. They also told us about their future goals and plans! They have certainly had great experiences with us. We will always treasure the great times we had and build on those memories. They possess great qualities and have learned much already, even as they move on to high schools, colleges, and beyond! We wish them the best!

The Bible states in Jeremiah 29:11; "For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future." Remember and pray for our graduates, as they continue to follow Jesus into their future.

In His Service,

Mr. DeWitt

I am very thankful for all the staff, parents and students that God has blessed me with over the last 20 years at Trinity. I am retiring at the end this school year. I have many wonderful memories of choir performances, music classes, school musicals, and also extended care activities. I have loved getting to know the students and I will miss them! My plans for retirement include traveling with my husband and enjoying my grandchildren. Serving Him,
